Hi Lauren, thanks for your interest. I have added you to our distribution list for the CFAC site. FYI - EPA will have a public meeting in Columbia Fall 9/29 about the site if you are interested. I will send out a reminder for that meeting next week. Please contact me if you have questions. Thanks Lauren!

Robert,

Could you add me to your mailing list for topics related to the Glacier National Park Region like the Anaconda Aluminum Co Columbia Falls Reduction Plant site?

Thanks!

Lauren
